1218 Connecticut Ave.

COMMENCEMENT SEASON IN CAPITAL CLOSES TODAY Frested the obligation of making the world better, he said, and this enjoined upon them obedience to the laws of truth. Education he defined as the power to think logically in accordance with the laws of truth. Some of the best educated may be hear the power decordance with the laws of truth.

All Graduates in Washington Public Schools barely read and write, while some of the worst educated had a sheepskin in Soon Will Have Received Their Diplomas.

Today marks the end of the commencement week of the public Davidson announced the award of scholschools of this city, the last exercises of the white schools being the McKinley Manual Training School Orthose of the James Ormond Wilson Normal School this afternoon at the D. A. R. Memorial Continental Hall. Dr. Philander P. Claxton, the United States commissioner of education, will be the principal speaker. One of the features in connection with these exercises will be the award of the prizes offered by Admiral G. W Baird for the best essays on "Unnecessary Street Noises." These University of Virginia to Elbert Todd will be presented by Dr. Charles Monroe.

Yesterday afternoon the graduation exercises of Central High School were held at the D. A. R. Hall, while in the evening diplomas were presented to the graduates of McKinley Manual Training School at the school.

Today the presentation of diplomas to the eighth grade graduates took place in the respective divisions. One or two divisions held their exercises yesterday, but most were held today.

M Street High School, the Armstrong Manual Training School and the business practice department of the colored high schools will hold joint commencement exercises at Convention Hall to-Daughters.

Washington Society of the Daughters of 1812, made the presentation. The medal for the best essay upon questions affecting citizenship, open to all fourth-year pupils in the high schools. Was won by Chester C. Hough, with a paper entitled "The Evolution of the Representative System." The medal was given by the Society of Colonial Daughters.

The class officers are: H. Ernest

difficult thing than making careers." America Setting Pace.

President said: "It is not what a man makes, or what a man has. It is what man is in this world that counts. God intended us to be brothers; not half brothers, not step-brothers, but Abraham Lincoln was pointed out by

the speaker as "the typical Americanrecognized the rights of others.' digs ditches is as splendid an examdent of the United States," asserted Mr dress. "It is true that this is the land follows: of opportunity, but not the land of opporunity for trickery and knavery. It s the land of opportunity for the man who is willing to put to good use the natural talents and benefits that are

Enthusiasm the Key.

"If these young people go out into the do anything they set about to accomwiser from the intellectual standpoint than the Greek. His enthusiasm, however, was for art and beauty. Rome's enthusiasm was for power and conquest. law and order. Three things make up American enthusiasm-the three things named by Thomas Jefferson-life, liberty and the pursuit of happiness." Dr. William M. Davidson, superintendent of public schools, who made the announcement of scholarships and prize awards, stated that 35 per cent of the pupils who entered high school four years ago graduated this year.

Believe in Schools.
